

Dietary supplement with vitamin C, vitamin B6, vitamin B12, vitamin D, manganese, zinc, L-tryptophan, natural orange oil, natural cannabis flavor extract, natural vanilla flavor, and stevia as sweetener. Other ingredients in CBD HAPPY SOFT GUMS are cocoa powder, tomato extract with lycopene, and other phytochemicals. Vitamin C contributes to a normal energy metabolism. Vitamin B6 and B12 each contribute, to a normal function of the nervous system, to a normal psychological function and alleviate tiredness and fatigue. Vitamin D is a factor in mitosis. Zinc contributes to a normal cognitive function. The typical austere and slightly bitter taste of the natural cannabis flavor extract from the leaves of the hemp plant *Cannabis sativa*, which reflects the spectrum of contained natural substances, adds, together with stevia as sweetener, cocoa, and orange oil, to the special and unique taste.
